*ALL CLASSES & TEACHERS ARE SUBJECT TO CHANGE*

Do you dream of being Cinderella? Or Sleeping Beauty? Do visions of ribbon and tulle dance through your head? Come discover the magic and mystery of the great story ballets at Tutus and Tiaras, a program offered at Lynch School of Ballet especially designed for the youngest dancers.

This introductory course will help your child learn basic movement and principles of dance while having fun in a lighthearted and nurturing environment. Our goal is to foster and spark creativity while teaching children the traditions of classical ballet.

Pre-Ballet is appropriate for students in Pre-K beginning ballet training.

Pre-Academy is exclusive for Kindergartners, includes an additional 15 minutes of class instruction to prepare students for Ballet I.
